

**U.S. Customs and  
Border Protection**

MAR 02 2016

The Honorable Jeff Sessions  
United States Senate

(b) (6), (b) (7)(C)

Dear Senator Sessions:

This letter is in response to your February 8, 2016, correspondence on behalf of your constituent, Ms. (b) (6), (b) (7)(C) regarding her request for U.S. Customs and Border Protection (CBP) to reconsider the denial of Ms. (b) (6), (b) (7)(C) Global Entry application.

Global Entry is a risk-based approach to facilitate the entry of pre-approved U.S. citizens, lawful permanent residents of the United States and citizens of certain other countries. The program allows frequent international travelers who have passed a background check, use of an automated kiosk to clear passport control, and provides an expedited exit lane out of the CBP processing area.

A review of CBP records indicates Ms. (b) (6), (b) (7)(C) application should be approved for membership in the Global Entry program. Ms. (b) (6), (b) (7)(C) may now log into her GOES account to schedule an interview at an Enrollment Center to complete her Global Entry application. The Enrollment Center will make the final determination of Ms. (b) (6), (b) (7)(C) application.

If you should need further assistance, please contact my office at (202) (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C)

Michael J. Yeager  
Assistant Commissioner  
Office of Congressional Affairs
